

EXPLORE THE CIRCUS AND STREET ARTS IN ANOTHER COUNTRY

CASA – CIRCUS ARTS AND STREET ARTS CIRCUITS - CALL FOR APPLICATION

Apply for a 7-day exploratory trip in the circus and street arts context of Belgium, Sweden, Czech Republic, Finland or Spain.

CASA what?

CASA is a European support programme designed by five arts organisations: MiramiO (Belgium), SirkusInfo Finland (Finland), Cirqueon (Czech Republic), FiraTàrrega (Spain) and Subtopia (Sweden). Together they join forces to equip professionals from the contemporary circus and outdoor creation sectors to work and cooperate transnationally, raising their ambition and capacity to work at international level.

The programme aims at unfolding work opportunities, helping practitioners to access international markets and make new connections by developing their knowledge on different cultural contexts and artistic environments thus enhancing their (inter)cultural competences and skills.

CASA will make both professional expertise and quality information accessible, and facilitate the sharing of knowledge and know how, in order to diversify approaches and work methods.
