

Created to support the circus arts' promotion and development, the *INTERNATIONAL MARKET OF CONTEMPORARY CIRCUS (MICC)* is proud to have helped raised the profile of so many professionals and has become a key rite of passage in the circus world.

For its 4th edition, the **MICC**, organized by TOHU alongside the MONTRÉAL COMPLÈTEMENT CIRQUE, offers to professionals from here and abroad an opportunity to gather around important issues through various activities:

CONFERENCES

- **Collective creation in the contemporary circus - from alternative writing to new structuring models**
Focus on the collective in the circus and alternative structures that investigate.
- **Create and tour circus for young audiences**

SHOWCASE

- **Cirque Éloize**
A 25th anniversary cocktail of Cirque Éloize with a small presentation of our new creation, Hotel!

TOUR DE PISTE

A new platform of presentation to help companies in promoting their touring shows to an audience of programmers.

TÊTE-À-TÊTE (one-on-one)

A fun and exclusive opportunity for companies to talk about their creative projects with small groups of professionals in a one-on-one-like gathering.

WORKSHOPS

- **For the development of a common distribution and touring network**
North American distributors and programmers work together to link their schedules, timelines and program ideas for upcoming seasons.
- **How to tour in North America**
Workshop aimed to help artists, agents and companies to get familiar with the specific issues of this giant territory.

COMPLEMENTARY ACTIVITIES

- **CastaFesta**
Your chance to learn, observe and exchange with casting professionals on the subject of talent.
- **Concordia Seminar**
The event presents the innovative and multifaceted research-creation "Poetics of the contemporary circus: a dramaturgy of writing in (and of) the movement."

LUNCH COMPLÈTEMENT PRO

The last gathering to talk and share ideas over a meal.

In 2017, the MICC received 300 professionals from 23 different countries, be with us in 2018
