

**FROM JUNE 29
TO JULY 3
2021**

SAVE THE DATES

**Circostrada General Meeting
in the frame of the
Focus of the Institut français and Cratère Surfaces**

Alès, France

The next General Meeting of Circostrada Network will take place from June 29th to July 3rd 2021 in Alès (France), in partnership with Le Cratère - National stage of Alès (France), the Institut français and Occitanie en scène. It will take place in the frame of the Focus Territories and Arts of the Institut français and of the 22nd edition of Cratère Surfaces - Alès International Outdoor Festival.

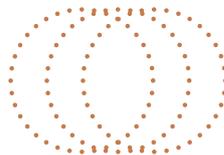

This key moment of exchange and physical encounter will be the opportunity to reflect on our relationship to territories, share experiences, inspiring projects - be they artistic, citizen or political - in connection to the making of urban spaces with a view to revisiting our means to grasp and interact with these common spaces.

A rich and original programme, lying at the crossroads of several artistic fields will be offered to network's members during these five days: thematic workshops and plenary sessions, projects presentations of companies and regional initiatives, networking times between network's members and the guests attending the Focus of the Institut français, discussions around the life of the network and its future project of activities.

A very appealing artistic programming and many collective highlights will also be on the agenda.

The programme will soon be available on our website along with the dedicated registration form.

We look forward to meeting you late June in Alès !
